September 7, 2010

The mandatory 2011-1 Paving Project Pre-Bid meeting convened on September 7, 2010 at 1 p.m. Mr. Michael Baiocco of Kercher Engineering (Newark, DE) presided.

Attendees were as follows:

Del-Mar-Va Paving, Seaford, DE

Harmony Construction, Wilmington, DE

American Paving, Salisbury, MD

Jerry's Paving Excavating, Milford, DE

Sam's Construction, Wilmington, DE

Paul's Paving, Bethany Beach, DE

Because this was a mandatory pre-bid meeting, those listed above comprise the complete list of qualified bidders.

Project manuals were provided for a nominal fee. They must be returned intact with properly completed forms or bids may be rejected.

Questions in writing may be sent via fax or e-mail to Mr. Baiocco through Monday, September 13 and will be answered by Wednesday, September 15. Bids are due by 11:00 a.m. on September 16, 2010 in the Fenwick Island Town Hall.

Bids will be opened and the project bid value for each will be announced. The apparent low bid, however, will not necessarily be awarded the project. Each bid will be subject to technical review by Kercher Engineering. This review will be followed by consideration of the Fenwick Island Town Council.

Council meetings are scheduled for September 22 and 24, 2010. A decision on the project will be rendered at the discretion of Council.
